### Washington County Fair Association

**NOTICE:** All exhibitors and participants are cautioned to read carefully the following rules and regulations as same will be strictly enforced without deviation of any kind.

The Washington County Fair Association reserves to its Executive Board the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto or otherwise arising out of, connected with, or incident to the Washington County Fair and the right to amend or add to these rules as its judgment may determine. An exhibitor participant who violates any of the general, division, show or special rules as published in this catalog will forfeit all privileges and premiums and be subject to such.

Special rules or conditions are published in each division where necessary. If there is a conflict between any special rules or conditions of any division and the general rules and regulations, the specials rules or conditions will prevail.

If any of the foregoing Rules or any provisions of any single Rule later held to be legally invalid or otherwise unenforceable, all other Rules and all other provisions and terms of any Rule containing a provision or term later held to be legally invalid or unenforceable, shall remain in full force and effect.

1. **The Fair will officially open Saturday, September 10, 2011 at 6:00 p.m.** unless postponed by the Executive Board, which they hereby claim the right to do, either in part or in whole, for cause whatsoever, for the general good for all concerned.
2. The act of entering an animal in the Washington County Fair is the giving of verification by the exhibitor and parent/guardian that they have read the Washington County Fair Association Code of Show Ring Ethics and understand the consequences of and penalties provided by actions prohibited by the Code.
3. Exhibits owned by 4 – H or FFA Chapters may not enter in the junior divisions of the Washington County Fair.
4. In completing application entry cards, follow exact wording in the premium list giving department and class number.
5. All articles shall be numbered by tag and/or label attached to such animals or articles before being received by the chairperson in charge of the respective departments and will remain under his or her charge until the close of the Fair.
6. All exhibited articles must be called for within ten days after the Fair or they will be forfeited to the Washington County Fair.
7. During the Fair, no exhibits in any department will be allowed to be removed from the grounds without a permit. Permits can only be obtained from the show superintendent and committee chairperson(s). All livestock entries must remain in place throughout the Fair dates.
8. Premiums will be designated by a blue ribbon for first, red for second, white for third, etc.
9. Premiums will be paid on or before November 1. The Fair Association reserves the right to pay all premiums on a percentage basis of the net profit if enough money is not taken to pay the full amount as shown in this catalog.
10. Every effort will be made for the security of the exhibitors and others in attendance, but the Association will not be responsible for any loss or damage to articles or animals while on the grounds or in transit thereto from any cause whatsoever.
11. Exhibitors will be required to keep their spaces in clean condition by removing filth and litter and placing same in said place where the scavenger force of the Management may get to it with ease.
12. It shall be left to the discretion of the judges whether or not exhibit is sufficiently up to standard of that class to be given first premium.
13. All members of the Washington County Fair Association and Exhibitors are required to purchase gate tickets: either season or daily. Open beef cattle exhibitor gate passes will be issued to vehicles

and trailers of livestock exhibitors for convenience of hauling feed and supplies. Committee persons and exhibitors may park in the north parking lot if space is available. The Washington County Fair Association assumes no liability for vehicles or trailers being parked on the fairgrounds. All trailers must be removed from the fairgrounds and parked in designated trailer parking area.

14. The members of the press and directors and secretaries of adjacent fairs are invited to attend our Fair and exhibitions. They are requested to make known their intentions to the Secretary, who will send them the required tickets by mail.
15. No claim for injury to any person or property shall ever be asserted, nor suit instituted or maintained against the Washington County Fair Association or its directors or agents, Washington County, Texas, by or on behalf of any person, firm or corporation, or their agents or representatives, servants or employees, having license or privileges to exhibit on the fairgrounds or occupy space thereon.
16. The Fair Association reserves the right to use any Junior Livestock Division Sale animal for the Livestock and Dairy Judging Contests.
17. All protests must be in writing and accompanied by a deposit of \$25.00 which will be forfeited if protest is not sustained. Such protest must state plainly the cause of the complaint or appeal, and must be delivered to the management of the Washington County Fair Association immediately after the occasion of such protest. Protest will be accepted prior to judging or immediately at the conclusion of judging. Any protest as to the eligibility on account of age or breeding of animals must be filed with the management before judging. Judging procedures will not be interrupted for protest investigation; depending on the basis of the protest, a decision may be withheld until a thorough investigation is complete, depending on the basis of the protest.

## TEXAS ANIMAL HEALTH COMMISSION RULES AND REGULATIONS

### Summary of Texas Requirements for Entry of Livestock (Domestic and Exotic), Poultry and Ratites into the State and into Shows, Fairs, Exhibitions and Assemblies.

**NOTE:** The following summary is a condensed version of the Texas Animal Health Commission regulations. The regulations will supersede this summary if there is a dispute between the two.

1. **Infected, Exposed, or Quarantined for Disease:** Any livestock, poultry or ratites that are infected, exposed or quarantined in any manner for an infectious, contagious, or communicable disease may not enter the state unless: **A.** They are consigned direct to slaughter or to a designated pen or to a quarantined feedlot or directly from the premise of origin to a specifically approved market for sale to slaughter or to a designated pen or to a quarantined feedlot accompanied by a VS 1-27 permit. (Swine that are infected or exposed to PRV may be moved from out of state directly to a slaughter plant in Texas,); or **B.** if quarantined as a result of Commission action may enter only as specified in the quarantine order established by the Commission: or, **C.** Given written permission by the Executive Director of the Commission for each movement. **NOTE:** Livestock originating from specific areas of Michigan are required to be tested for tuberculosis because of the presence of this disease in free ranging deer (refer to 4 TAC, chapter 43) **NOTE:** "Brushy tailed possums cannot be transported into the State."
2. **Certificate of Veterinary Inspection:** The certificate must indicate that the accredited veterinary found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations, or treatments required by the Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. The certificate is valid for 45 days for equine and 30 days for all other species.
3. **Waybill:** The waybill may be used in lieu of a certificate of veterinary inspection to accompany: **(A.)** Cattle, 18 months of age or older from a premise of origin consigned to slaughter or a USDA Specifically Approved Livestock Market. **(B.)** Steers, spayed heifers, cattle under 18 months of age, sheep & goats consigned to slaughter or a livestock market. Non -vaccinated female cattle under 18 months of age from an out-of-state farm of origin may also be consigned to a livestock market, designated pen, quarantined feedlot of slaughter. **(C.)** Cattle from brucellosis free states delivered directly to slaughter or consigned to slaughter. **(D.)** Swine and poultry consigned to slaughter.  
The waybill must contain the name and address of the owner or shipper, point of origin, number and type of livestock or poultry, purpose of movement: and destination. The waybill is not required for the above movements when livestock are delivered to the owner.
4. **Prior Entry Permit:** Entry permits are required as noted in the following summary of entry requirements. Permits may be obtained by calling 512-719-0077 (24 hrs.) or 1-800-550-8242 or by writing the Texas Animal Health Commission, 2105 Kramer Lane. P.O. Box 12966, Austin, Texas 78711-2966.
5. **Entering Shows, Fairs, Exhibitions and Assemblies:** **A.** Livestock, poultry and ratites entering from out of state must meet the state's entry requirements. **B.** Livestock, poultry and ratites moving from out of state and entering for exhibition and sale must be accompanied by a certificate of veterinary inspection and a permit for entry when required by the entry regulations. The permit for entry is not required when livestock, poultry or ratites enter for exhibition and return to the state of origin. **C.** Equine originating in Texas and (1) Entering parimutual racetracks – Must be accompanied by a certificate of veterinary inspection and a negative test for EIA conducted within 12 months. Foals, nursing a negative dam are exempt from testing. (2) Entering a show, fair, exhibitions or assembly – Must have a negative test for EIA conducted within the previous 12 months. Foals nursing a negative dam are exempt from testing. **D.** All other livestock, poultry and ratites originating in Texas and (1) Entering interstate shows, fairs, and exhibitions (those functions that permit livestock and poultry from other states to enter for show or exhibition and held in common facilities with Texas origin livestock and poultry of the same species) are exempt from an entry permit but must meet the same other requirements as those for entering from out-of-state and be accompanied by a certificate of veterinary inspection.
  - a. Ratites must be individually identified with an implanted electronic device (microchip) and tested negative for Avian Influenza and Salmonella pillorum tested within 30 days of entry.
  - b. Swine entered in terminal shows are exempt from brucellosis, leptosporosis, and pseudorabies requirements.
  - c. Breeding rams originating in Texas are exempt from the brucella ovis test.
  - d. Vaccination for brucellosis is not required for cattle (20 Entering all interstate shows, fairs and exhibitions (those functions that require Texas livestock, poultry and ratites of the same species to be housed and exhibited separate and apart from livestock, poultry and ratites from out-of-state). – Are exempt from the entry permit, certificate of veterinary inspection and testing requirements, except poultry must must originate from flocks or hatcheries free of pullorum disease

and fowl typhoid or have a negative pullorum-typhoid test within 30 days before exhibition. e. Rodeo bulls participating in a recognized and organized performance group may enter with a negative test for brucellosis within the previous 12 months, individual identification, and accompanied by an "E" permit. f. Rodeo stock from Mexico shall be tested for tuberculosis within 12 months prior to their utilization as rodeo or roping stock and retested for tuberculosis every 12 months thereafter. This is in addition to the entry requirements set out in the section "Cattle Entering the State from Foreign Countries".

6. **Cattle Entering the State from Other States:**

**A. Brucellosis Requirements:** Test eligible cattle are defined as all cattle that are parturient or post parturient or that are 18 months of age or older, except steers and spayed heifers. (1) Vaccination – All non-vaccinated cattle between 4 and 11 months of age shall be officially vaccinated prior to entry.

**B. Tuberculosis Requirements:** All dairy and registered beef breeding cattle 18 months of age or older must either be tested negative for tuberculosis within six months prior to entry with results noted on certificate of veterinary inspection or be from an accredited free herd or area.

7. **Equine Entering the State:** Equine may enter Texas for shows, fairs, exhibitions or assembly purposes when accompanied by a valid equine interstate passport or equine identification card and a completed VS form 10-11 showing negative results to an official EIA test within the previous 6 months.

## CODE OF SHOW RING ETHICS

---

### WASHINGTON COUNTY FAIR ASSOCIATION

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in the competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. The code applies to junior as well as open class exhibitors who compete in structured classes of competition. The code applies to all livestock offered in any event at the Washington County Fair.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and sale proceeds and may be prohibited from future participation in the Washington County Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and will be reported to the Texas Association of Fairs and Events and other appropriate entities which may result in an exhibitor from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events.

1. All exhibitors must present, upon request of fair and livestock officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts related thereto is prohibited.
2. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificate from licensed veterinarians upon request by fair or show officials.
3. Junior exhibitors are expected to care for and groom their animals while at the fair.
4. Animals shall be presented to show events where they will enter the food chain free of violate drug residues. The act of entering an animal in a show is giving consent by owner, exhibitor, fitter, trainer and/or absolutely responsible person for fair and show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used for testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. No livestock shall be exhibited if the drugs administered in accordance with federal, state or provincial statutes, regulations and rules affect the animal's performance or appearance at the event. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example, the use of alcoholic, carbonated, or caffeinated beverages or chocolate flavored nutritional supplements as drench or filler. Also prohibited, is any substance that may interfere with the residue testing procedure.

If the laboratory report on the analysis of saliva, urine, blood or other sample taken from livestock indicates the presence of forbidden drugs or medications, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation transfer to the laboratory pertains to the sample taken from animal in question and correctly reflects the condition of the animal at the time the sample as taken, with the burden on the owner, exhibitor, fitter, trainers, or absolutely responsible person to prove otherwise. Any time after animal arrives on the fairgrounds all treatments involving the use of drugs and/or medication for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian with the permission and supervision of the show chairperson.

5. Any surgical procedure or injection of any foreign substance drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's

- performance or later its natural contour, conformation, or appearance except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal is prohibited.
6. The use of showing and/or handling practices or devices such as striking animal to cause swelling, using electrical contrivances, or other similar practices is not acceptable and are prohibited.
  7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during, or after competitive event is prohibited. On the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct towards them. Protests may be made in accordance with Rule 17 of General Rules and Regulations as printed in the Open Livestock Division Catalog.
  8. No owner, exhibitor, fitter, trainer or absolutely responsible person may conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons by affirmative action or in action to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
  9. The application of this code of ethics provides for absolute responsibility for an animal's condition by owner, exhibitor, fitter, trainer or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of the code of ethics.
  10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or show fair violation of the code of show ring ethics and any other rules of competition of the fair or show without recourse against the fair.
  11. The act of entering an animal in the fair or of giving certification by owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Washington County Fair Code of Show Ring Ethics and understands the consequence of and penalties provided for action prohibited by the code. It is further a consent that any action which contravenes these rules and is also a violation of federal, state, or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

## OPEN BRAHMAN SHOW

---

**Chairman:** John Haarmeyer

**Committee:** Carol Haarmeyer, Ronnie Schulte, Barry Smith, Ray Thaler, Clamens Tiemann

**Judge:** Dr. Randall Grooms

**Judging:** Wednesday, September 14 - 8:00 a.m.

### **SPLIT SHOW RED AND GREY**

#### **American Brahman Breeders Association Special Show**

1. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in association sponsored shows. The registration certificate (or photocopy) for each entry must be available for presentation to the superintendent or manager of the show at the time entries is verified prior to judging.
2. The registration number and animal identification number (number branded on animal) of: (1) each animal must be entered in an individual class, (2) the sire of each Get-of -Sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered
3. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies, or earn points in the association's Register of Renown.
4. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.
5. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. **Include animal identification number (number brand) as a part of identification.** When entering the arena for judging, the handlers will line cattle up numerically in the same order.
6. Judges will be allowed to comment on placing in selected classes when conditions permit.
7. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances for cosmetic purposes shall be prohibited. If to the satisfaction of the ABBA's staff, officers, executive committee or board of directors, any animal that has had its natural conformation and structure altered or been administered steroids, growth hormones or stimulants; then the said animal shall be ruled ineligible to compete until such time the Show Committee and owner/owners have reviewed the case. Any violators, both owner and fitter, will be in-eligible to exhibit cattle at ABBA Approved Shows for 5 years.
8. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.
9. For females being shown in the three oldest classes (females calved Sept. 1, 2008 - Aug. 31, 2008 for Fall Shows; females calved Jan. 1, - Dec. 31, 2008 for Spring Shows), the exhibitor must have a certificate of pregnancy issued by a licensed veterinarian and present to show officials at time of check-in

or registration paper check.. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. Females exhibited in the last class of the Fall Shows is required to have a calf at side. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf **must** be presented to the judge.

**10. All bulls will be shown with a nose ring or nose restraint with lead attached.** For bulls being shown in the oldest class the exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. This certificate must be available for inspection by the judge on request.

11. This deals with the produce of dam classes and the get-of-sire classes:

- Embryo Produce of Dam – Two animals from the above classes produced by one dam by embryo transfer either or both sexes may be represented. No ownership requirement.
- Natural Produce of Dam – Two natural born animals produced by one dam from the above classes, either or both sexes may be represented. No ownership requirement.
- Get-of-Sire – Four animals from at least two dams by one sire from the above individual classes, both sexes represented. No ownership requirement.

12. No exhibitor shall be permitted to show more than one produce or embryo produce-of-dam per dam.

13. Cows that are exhibited with calves at side must be in lactating stage. Calves must be shown and exhibited with their dams and calves must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward for those cows whose calves are ineligible to show by this rule.

14. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.

15. The intent of the ABBA in shows that exhibit a large number of cattle is to divide the cattle into separate red and grey divisions. If so, the following procedure will apply. All grey cattle and solid black cattle will show gray. Red, black & white speckled cattle will show red. Cattle with questionable colored pigmentation may be entered in the color division the breeder selects, however, said cattle are subject to inspection by a three (3) member ABBA Color Committee. If the Color Committee disagrees with the breeder, the pedigree and color of said animal will then be used to aid in the final determination. In those cases where questionable colored cattle possess both red and grey breeding, then the Committee will make the final determination. The decision of the committee is final.

Once animals have been classified they will remain in that classification unless they were young at time of classification and it is apparent that they have changed their color.

In the get-of-sire and produce-of-dam classes, breeders will not be allowed to show cattle of mixed color. They will be entered as to color division they are assigned by the Color Committee for the show.

At split shows where the Color Committee is not present, a staff member with two (2) ABBA Directors will clarify questionable colored cattle for that particular show. The final classification will be done by the Color Committee.

16. The owner of record of any registered animal entered in an ABBA approved show and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.

17. For shows to remain approved point shows by ABBA, they must maintain a twenty (20) head average for the previous two (2) years.

18. The official ABBA rules & procedures governing showing & exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.

19. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management and/or ABBA Officials be split by age as evenly as possible.
